

Greetings Heritage family!

As a staff, we have been talking and praying about how we can best serve the people in our community, about how we can ***“love our neighbors as ourselves”*** ... and we’ve come up with a plan that will give you an opportunity to do just that!

We’re calling the plan ***“Hello Neighbor”!*** The concept is for you to **PRAY** for your neighbors and then take a walk (or drive) through your neighborhood and offer to help your neighbors with anything that they need. Some of them may be housebound or simply don’t want to go out.

We have designed a ***“Hello Neighbor”*** card for you to leave at the front door of your neighbors’ homes. You can certainly knock if you’re comfortable. The card gives your neighbors your contact information so they can call, text, or email you for help. It’s really simple, it’s neighbors helping neighbors! Then you keep praying and then **PRAY some more** and ask God to open the door to a friendship with your neighbor.

The ***“Hello Neighbor”*** cards are available for you to pick up at Heritage. They are in a gray plastic basket on the front steps under the drive-through overhang.

We have put 5 cards in a zip-lock bag. We ask that you take one bag, at the most two. The intent is not for mass distribution, but for you to offer your help to **your** neighbors.

Go ahead take a walk ... but with an eternal purpose!
